The parties agree that it is a business and governmental necessity that the project be completed by this date, that it will be difficult or impossible to make an accurate determination of the damages that would be incurred by the City of Fort Wayne; and, therefore, provide for liquidated damages in the sum of \$ 250.00 per day for each and every day after 9/30/87 days after issuance of the Notice to Proceed, that the project remains incomplete. The parties further agree that causes beyond the control of the contractor may delay the completion date. Therefore, the parties agree that delays in the completion date beyond the control of the contractor shall not result in liquidated damages.
